

Here is a Professional Education Sector Project Proposal (₹25,00,000) for

SHRIMATI SAVITRI DEVI EDUCATIONAL WELFARE SOCIETY

Project Title: "Shiksha Pragati Abhiyan – Quality Education & Digital Learning Initiative"

Total Budget: ₹25,00,000 (INR Twenty-Five Lakhs Only)

Project Duration: 18 Months

1. Executive Summary

Shrimati Savitri Devi Educational Welfare Society proposes the "Shiksha Pragati Abhiyan", an initiative aimed at improving access to quality education and digital learning opportunities for students from rural and economically weaker communities.

The project focuses on academic support, digital education, and distribution of educational resources to ensure inclusive and equitable education.

The project will directly benefit:

- 450 students (Grades 1–12)
- Students from economically weaker households
- Rural youth interested in digital learning

The initiative aims to enhance academic performance, reduce dropout rates, and promote digital literacy.

2. About the Organization

Shrimati Savitri Devi Educational Welfare Society is a registered non-profit organization working in:

- Education development
- Child welfare and youth empowerment
- Community development initiatives
- Digital literacy programs

The Society is committed to promoting inclusive and quality education for all.

3. Problem Statement

Students in rural and underserved communities face several educational challenges:

- Limited access to quality education and learning resources
- Lack of digital learning infrastructure
- Financial constraints affecting education continuation

- Poor academic support and higher dropout rates

There is a need for structured educational support and digital learning facilities.

4. Project Objectives

1. To provide educational support to 450 students.
 2. To establish a digital learning center with computer education.
 3. To provide after-school academic coaching and mentoring.
 4. To distribute educational kits and study materials.
 5. To improve academic performance and reduce dropout rates.
-

5. Target Beneficiaries

- 450 school students
- Students from economically weaker households
- Rural youth interested in computer education

Indirect beneficiaries: Parents, teachers, and community members.

6. Project Components

6.1 Academic Support Program

- After-school coaching classes
 - Subject-wise mentoring and assessments
 - Academic performance tracking
-

6.2 Digital Learning Center

- Setup of computer lab with 15–20 computers
 - Internet connectivity and digital learning platforms
 - Basic computer education training
-

6.3 Study Materials & Educational Kits

- Distribution of books, notebooks, and stationery
 - School bags and learning materials
 - Digital learning resources
-

6.4 Career Guidance & Awareness

- Career counseling sessions
 - Awareness about higher education opportunities
 - Scholarship guidance programs
-

6.5 Community Education Awareness

- Parent counseling sessions
 - Village-level education awareness campaigns
 - Community participation activities
-

7. Implementation Plan (18 Months)

Phase	Timeline	Activities
Phase 1	Month 1-3	Baseline survey & planning
Phase 2	Month 4-6	Digital learning center setup
Phase 3	Month 7-14	Academic support and training programs
Phase 4	Month 15-17	Career guidance & awareness
Phase 5	Month 18	Evaluation & final reporting

8. Budget Breakdown (Total: ₹25,00,000)

Budget Head	Amount (INR)
Digital Learning Center Setup	7,20,000
Academic Support Programs	5,80,000
Study Materials & Educational Kits	3,00,000
Teachers & Trainers Honorarium	3,20,000
Project Coordinator	2,00,000
Career Guidance Programs	80,000
Awareness Programs	70,000
Monitoring & Evaluation	80,000
Administrative Expenses	90,000

Budget Head	Amount (INR)
Contingency	2,60,000
Total	₹25,00,000

9. Expected Outcomes

- 450 students receiving quality education support
- Increased digital literacy among students
- Improved academic performance and reduced dropout rates
- Greater awareness about higher education and career opportunities
- Strengthened educational infrastructure

10. Monitoring & Evaluation

- Monthly academic progress tracking
- Attendance and participation monitoring
- Digital learning center usage tracking
- Beneficiary feedback surveys
- Mid-term and final evaluation reports
- Financial audit & utilization certificate

11. Sustainability Plan

- Collaboration with schools and educational institutions
- Continued digital learning programs through community participation
- CSR partnerships for education development
- Integration with government education schemes

12. Alignment with CSR & SDGs

This project aligns with:

- CSR Schedule VII – Promoting Education
- SDG 4 – Quality Education
- SDG 8 – Decent Work & Economic Growth
- SDG 10 – Reduced Inequalities

13. Conclusion

The "Shiksha Pragati Abhiyan – Quality Education & Digital Learning Initiative" by Shrimati Savitri Devi Educational Welfare Society aims to provide inclusive and quality education opportunities to rural students.

With a total budget of ₹25,00,000, the project will create a strong educational foundation and empower students for a better future.
